RESPONSIBILITY - We shall not be responsible for any accidents that may occur, but shall make every effort to provide for the safety and comfort of our guests.

SHOW & SALE

Invitation

We most cordially invite all those interested in Shorthorn cattle to attend the Marion County Shorthorn Breeders' Show and Sale.

The breeders and consignors in this territory are interested in maintaining an established sale where breeders can annually sell the produce and buyers can come and buy with confidence.

Cattle from these herds in this territory have always given a good account of themselves in various shows and sales of top rank. The bloodlines are equal to any that will be found.

We especially would like to call attention to the 21 bulls that are being offered. We feel that some are definitely herd bull prospects and that the general quality is good and this sale offers a real opportunity for farmers to buy a good registered Shorthorn bull to place in their herds. This is most certainly the bull buying opportunity in Southern Iowa.

The females are a pleasing group. There are cows with calves at side, bred cows and heifers, and a very fine group of open heifers. Many of these are eligible for F.F.A. or 4-H projects in 1956. Here is a wonderful opportunity.

We sincerely hope that you will make plans to be with us at Knoxville on April 9, 1956, and trust that you will tell your neighbors and friends of the opportunities that this offering presents.

ELMWOOD STARRY ARCHER 6TH - Here is one of the best tried sires that will be sold this year. He sired the Champion steer and Champion heifer and Reserve Champion heifer at the Marion County Fair, also Reserve Champion heifer at the Iowa State Fair, also a 6th place bull at the Iowa State Fair. He is low set, heavy bodied with a world of natural fleshing. We hesitate to sell him, but have a large number of heifers by him in our herd. Our show herd this year will all be sired by him. If you need a bull that will sire show cattle, here he is, a 3 year old, just in his prime.
